Get your career started!

*Are you looking for work,
but have no experience?*

*Are you looking for training to improve
your skills or career prospects?*

The London Learning Consortium offers a range of pre-Apprenticeship and Apprenticeship opportunities for young people. As well as Apprenticeships there are training programmes for employees who want high quality training & support for their career development.

***“The training helped me to understand
my job and it made everything
clear for me.”***

*Level 3 Advice and Guidance,
Young People’s Project*
