

## Level 2 Certificate in Awareness of Mental Health Problems

The qualification is suitable for anyone who wishes to increase their knowledge of mental health problems, the factors that cause mental ill-health and the ways that mental health problems can be managed. The course is also suitable for those who already work in this area; anyone who wants to secure a job linked to mental health and anyone who wants to gain more knowledge for personal reasons.

### Location:

- LLC Online Learning is a way of accessing qualifications and courses, fully supported by a personal tutor, but without attending lessons in a classroom setting. This means you can complete your studies in the comfort of your own home, giving you the opportunity to recap on your studies as often as you need to.

### Entry requirements:

- You must live in the UK to apply for this course.
- There are no specific sector-recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 1 qualification.
- Learners should be working at Level 1 for English and Entry Level 3 for Maths.

At the end of the course, you will receive the Level 2 Certificate in Awareness of Mental Health Problems, NCFE.
