

## Level 2 Certificate in Introducing Caring for Children and Young People

Throughout this qualification, you will explore how children's development can be influenced by factors such as nutrition and gain an understanding of the various safeguarding responsibilities of those who care for children and young people. You will also discover the importance of activities, play and interaction, and learn how to contribute positively to the development of children and young people at different stages.

### Location:

- Studying in a classroom with other dedicated learners at one of LLCs learning centres. LLC Delivers our courses in several locations in London and the South East. Your Recruitment Advisor will give you information about the available locations for this programme.

### Entry requirements:

- You should be at least working towards Level 1 for English and Entry Level 3 for Maths.
- Learners may find it beneficial if they have already achieved a level 1 qualification in the same or related subject area.

At the end of the course, you will receive the Level 2 Certificate in Introducing Caring for Children and Young People, NCFE.
