

Level 2 Certificate in Understanding the Safe Handling of Medication in Health and Social Care

By completing this course, you will not only gain a nationally-recognised qualification but will also develop and improve your knowledge and skills in the handling of medication in health and social care. This qualification is ideal for anyone who works in the healthcare sector or anyone who wishes to work in this sector in the future. The qualification is also suitable for anyone who handles medication while in a caring role.

Location:

- LLC Online Learning is a way of accessing qualifications and courses, fully supported by a personal tutor, but without attending lessons in a classroom setting. This means you can complete your studies in the comfort of your own home, giving you the opportunity to recap on your studies as often as you need to.

Entry requirements:

- You must live in the UK to apply for this course.
- There is no specific sector-recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 1 qualification.
- Learners should be working at Level 1 for English and Entry Level 3 for maths.

At the end of the course, you will receive the Level 2 Certificate in Understanding the Safe Handling of Medication in Health and Social Care, NCFE.
