

## Level 3 Diploma in Adult Care

This qualification develops the knowledge and skills needed when working in a lead adult care worker role in care settings. It covers a wide range of areas including supporting individuals with their physical and emotional care, daily living needs, and health and social care procedures.

The qualification is aimed at leading adult care workers, support workers, and key workers in a range of adult care settings. You do not have to be employed but you will need a work placement to complete the competency-based elements of the course.

### Location:

- This course will be delivered online and face-to-face as appropriate.

### Entry requirements:

- You must live in the UK to apply for this course.
- There are no specific sector-recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 1 or Level 2 qualification.
- Learners should be working, volunteering, or on practical placement as they will need to show competence in both knowledge and skills.

At the end of the course, you will receive the Level 3 Diploma in Adult Care, NCFE.
